

BETTY AND THE KID

(ex)PRESS

“These kids are about to do some amazing shit. I’m not sure why they are doing it but it’s fucking rad”

- The Kids Mother

“When you first turn on Betty and the Kid you may want to turn it off, but then it hits you, and you fall down into the abyss.. its all good”

-Independent Press

“We have been waiting for this all of our lives”

- Facebook Chat Bot

BIO

Betty Supple and Aubrey Burke (AKA the kid) combine good ol’ fashioned folk music with their own freaky, wild child styles. Working hard at playtime and digging deep down to excavate the subconscious with autoharp, drum-beat, violin, playtime machines and pedals Betty&theKid bring cheeky, playful and candle kissing reverent kinds of offerings.
